

## VCLA Scholarships

VCLA is pleased to announce that we are going to be offering again for the spring conference scholarships for *first-time* conference attendees. The scholarships are intended to bring church library workers to our conferences for training and networking. This will also introduce them to everything VCLA has to offer. Financial assistance is available to help offset some of the conference cost. Below is the scholarship application that must be completed and returned no later than April 15, 2020.
