### Scholarships

VCLA is pleased to announce that we are offering again for the fall conference scholarships for **first-time** conference attendees. The scholarships are intended to bring church library workers to our conferences for training and networking. This will also introduce them to everything VCLA has to offer. Financial assistance is available to help offset some of the conference cost. The scholarship application must be completed and returned no later than September 15, 2021. The form can be found on our website under the Upcoming Events tab at [www.vacla.org](http://www.vacla.org).
