**Annual dues are for an individual or individuals living at the same mailing address, i.e., spouses, siblings, parents & children, etc., and working in the same church library. One newsletter will be sent per address.

**Maximum required dues per church = \$100 each year. Each library staff member must complete a membership form which must be included with the payment of dues. If individual personal checks (rather than a church check) are sent, they must be in the same envelope.

***We realize that VCLA is not at the top of your priority list. If you were to have a health issue we would like to know. Since our membership is getting older, we would like to know who to contact if we can't get in touch with you just to make sure you are okay.

Additional donations to support this ministry are always welcome to help offset our expenses.
